

Website Tier Plans & Complete Benefits Guide

Three Subscription Tiers: Starter \$3 (\$5) • Pro \$10 (\$16) • Business \$25 (\$45) | Automatic 3-Month Standard Price Reversion

3-Month Promotional Pricing & Automatic Standard Price Reversion Policy

Every new subscriber enjoys the promotional rate (\$3/mo, \$10/mo, or \$25/mo) for their first 3 months. Upon completing month 3 (day 90+), the billing engine automatically reverts the subscription to the standard monthly rate in brackets (\$5/mo, \$16/mo, or \$45/mo).

TIER 1 • STARTER — Starter Plan (EDITOR)\$3 (\$5) / month

Billing Schedule: \$3.00/mo for Months 1–3 -> Reverts to \$5.00/mo Standard in Month 4+

Media Storage: 50 MB Per-User Media Library Storage (Max 2 MB per single image upload)

Monthly Quotas: 3 HTML Imports / month • 30 Page Edits & Saves / month • 1 Website • Up to 2 Team Members

Included Benefits & Capabilities:

- Full Visual Drag-and-Drop & Click-to-Edit Page Builder with Live Responsive Preview (Desktop, Tablet, Mobile)
- Floating & Draggable Elementor-style Structure / Layers Panel for inspecting and reordering page sections
- Dedicated Container Inspector: Layout Tab (Flex/Grid, Align, Justify, Gap, Size) & Style Tab (Spacing, Position)
- 50 MB Per-User Media Library Storage with automatic capture of all HTML & CSS background-image URLs
- Modernized Color Picker + #HEX Code inputs across all element style properties with live canvas preview
- Up to 3 HTML page imports/month and 30 page draft saves/month

Restrictions: Global Theme Color Palette Tab • SEO Inspector & Alt-Text Auto-Fixer • AI Assistant • AI Builder Agent • Source Code Editor • GitHub PR Workflow

TIER 2 • PRO (MOST POPULAR) — Pro Care Plan (CARE)\$10 (\$16) / month

Billing Schedule: \$10.00/mo for Months 1–3 -> Reverts to \$16.00/mo Standard in Month 4+

Media Storage: 500 MB Per-User Media Library Storage (Max 5 MB per single image upload — 10x Starter Storage)

Monthly Quotas: 15 HTML Imports / mo • 200 Page Edits / mo • 50 AI Prompts / mo • 3 Websites • Up to 5 Team Members

Included Benefits & Capabilities:

- Everything in Starter, plus 500 MB Per-User Media Library Storage (up to 5 MB per high-res image upload)
- UNLOCKED: Global Page Theme Tab — edit CSS variables & page-wide #HEX color tokens across the whole page
